ABOUT ME

Motivated and adaptable junior web developer with hands-on experience in HTML, CSS, JavaScript, and modern web frameworks. Passionate about coding and continuously improving through self-learning and practical application. Demonstrates strong communication and time management skills, particularly in remote work environments. Known for a proactive approach to problem-solving and a commitment to delivering quality work.

Seeking an opportunity to apply my skills in a web developer role where I can bring enthusiasm, dedication, and a strong work ethic to add value to your projects and team.

WORK EXPERIENCE

- August 2023-present
Artisan Roast Coffee Roasters | Edinburgh, Scotland
Barista
Alongside studying web-development I chose to take on a role that would allow me to utilise my passion for excellent customer service. I chose one of my favourite specialist coffee shops in Edinburgh for this, as their attention to detail and advanced barista training appealed to me.
- 2022
Holland&Barrett | Edinburgh, Scotland
Project Manager
Results-driven Project Manager with a track record of successfully planning, executing, and closing projects within scope, budget, and timeline constraints. Exceptional organizational and communication skills with a keen eye for detail. Adept at leveraging agile methodologies and implementing best practices to achieve project objectives.
- 2021
Nutrimed | Ukraine
Pharmaceutical Representative
Dynamic and results-driven Pharmaceutical Sales Representative with a proven record of exceeding sales targets and building lasting relationships within the healthcare industry.
Expertise in promoting pharmaceutical products, providing in-depth product knowledge, and delivering compelling presentations to healthcare professionals. Strong understanding of industry regulations and the ability to navigate complex sales processes.
Adept at identifying and capitalizing on market opportunities to drive revenue growth.
